Submitted for orders.

The remission of Rs 21/9 solicited may be sanctioned with the observation that the solvency of the defaulter should have been fully ascertained at the out-set & this was imperatively necessary when the default occurred. It was not prudent for Govt. Officers to work a shop in the large & Public City of Bangalore in Arrack. If Stores had been sold at once & sale proceeds attached at shop-daily the stock being worked by the defaulter if the profits is said it was not.
